*INVITO UFFICIALE
INVITATION*

*INVITO COMITATO ORGANIZZATORE
INVITATION/WELCOME LOC*

*Dear athletes,
coaches and officials,*

our Italian Ski Association is honored to invite all member federations of the OPA to participate in the FIS OPA Continental Cup Cross-Country Skiing and OPA GAMES in Sappada.

I would like to extend a sincere welcome on my personal name and on behalf of ASD Camosci to all the athletes, technicians and coaches of this Opa Cup. We're pleased to host this important event in our beautiful Sappada. A dutiful thanks goes to the FISI, the municipality of Sappada, the sports councilor Silvio Fauner and to the Promoturismo FVG. The ASD Camosci, that has been promoting cross-country skiing for over 40 years, is not unusual to organize big events but a well organized event takes a lot of work and requires a collaborative team. So I would like to thank all the volunteers and the sponsors, which has supported our sport Association. We wish all participant good luck, with the hope that they can have fun as well as demonstrate their commitment to this kind of competition.

President ASD CAMOSCI

Di Val Fabrizio

Benvenuto del Comitato organizzatore Welcome by Local Committee

I extend my most sincere welcome greetings, in my personal name and of the whole Sappada community, to all the young participants in the Opa Cup and Opa Games finals. It is an event capable of honoring the organizational tradition of our locality; over the years it has been able to organize prestigious competitions and to train athletes of the highest level, who have won 10 Olympic medals and 17 Nordic cross-country skiing world championships. and biathlon.

I renew my encouragement to all the young people involved in these races, exhorting them to compete while having fun, projecting the high values of sport everywhere and the image of a world that knows how to unite beyond any distance and diversity. The beauties of Sappada and its slopes will be able to make the difference, giving added value to a prestigious competition such as the Opa Cup.

Sport and Tourism Councilor.

Covid -19

In order to ensure the health and safety for the athletes and team personnel, the LOC is working in accordance with the Regional and National Health regulations as well as with FIS in accordance with the FIS COVID-19 Prevention Organiser Guidelines together with the World Health Organisation (WHO) on information and recommendations. The LOC and FIS Event Task Force has been established and is monitoring all developments. The corresponding arrangements are currently being put together in a separate document. This will be published and communicated by the LOC at a later stage. All competitors must have their own medical insurance (ICR a 212) which shall cover COVID-19 medical treatment expenses. Updated COVID-19 relevant medical procedures that may be required will be communicated whenever relevant.

ACCREDITAMENTO/ PROTOCOLLO PREVENZIONE COV-19

Accreditation | COVID-19 Preventive Measures

Without exception, accreditations are only issued after the current Covid-19 preventive measures of the respective LOC have been fulfilled. The quarantine regulations in force at the time of the event always take precedence and must be strictly observed. Failure to comply with these regulations and any positive result on COVID-19 will result in immediate suspension of accreditation. The data you provide will remain internal and will only be forwarded to the health authorities upon request. For the purposes of infection protection, the currently applicable legal regulations stipulate that we are obliged to provide information to the responsible health authorities. If your personal data is requested by the competent health authorities, the respective district administrator or mayor is responsible for the further processing of your personal data by the health authorities.
