Venue: The holiday region 3 Zinnen in the Dolomites is an excellent cross-country skiing destination with 200 km of groomed cross-country tracks at an altitude from 1,130 to 2,200 m; snow-safe and high service quality. This cross-country skiing paradise offers romantic ski hikes through picturesque Dolomite valleys and demanding World Cup tracks and legendary races. Tracks like in the romantic Fiscalina Valley near the renowned Three Peaks or the impressive high-alpine plateau Prato Piazza at 2,000 m of altitude, the Tour de Ski route in Val di Landro from Dobbiaco to Cortina and through the Dolomites UNESCO World Heritage, with spectacular Dolomite peaks provide an unforgettable experience.

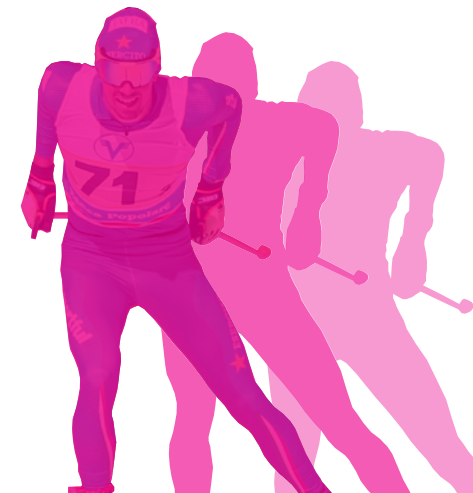

The heart of the 3 Peaks Dolomites cross-country skiing region is without any doubt the Nordic Arena in Toblach/Dobbiaco. Every year international top stars are training and competing on the demanding FIS tracks- numerous World Cup races and Tour de Ski stages have already taken place here - most recently the COOP FIS Cross Country World Cup in February.
